The Management
Big Rock Quarry
Tonquish Village *
District #2
Grand Bassa County, Liberia

Dear Sir/Madam:

I present my compliments and acknowledge receipt of a communication, through LEG Consultant, dated **July 13, 2023**, submitting three (03) hard copies and two (02) soft copies of an **Environmental Project Brief** for the operation of a rock quarry located in Tonquish Village, District #2, Grand Bassa County, Liberia.

The report was received, but the review of said submission is contingent upon receipt of payment, while an ESIA site verification visit will be made to the project's site to determine the validity of the EPA-approved parameters mentioned in the report before complete acceptance by the Agency.

Accordingly, you are required to submit the contact details of the contact person to be inserted in the permit. Contact detail should include:

1. Name of Contact Person
2. Position
3. Entity Name
4. Cell #
5. Email
6. Entity Office Address

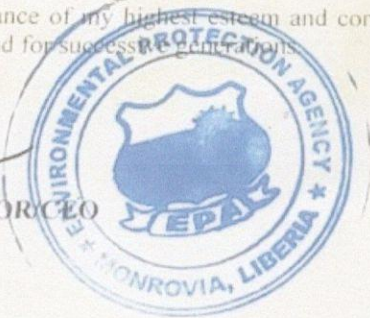

In response to your request, the "non-refundable" permit renewal fees for this undertaking is **Three Thousand Fifty United States Dollars (\$3,050.00)**, which can be paid at the following bank accounts: **EcoBank: Account Number: 6100064132 (USD) Account Title: National Environmental Commission** or at the **Central Bank of Liberia Account Number: 00100116010050 (LRD) Account Title: Environmental Protection Agency**. *This amount should be paid within fourteen (14) days, of receipt of this communication.* Please come along with a copy of this letter and the deposit slip to the EPA's Account section for an official receipt and proceed to the ESIA Unit with a copy of your EPA official receipt.

This communication does not amount to commencement of any work or operation nor can it be used as a permit, until further official notice by the Agency, through written communication, is issued to commence work or a conditional permit is issued.

Please accept the assurance of my highest esteem and consideration as we strive for environmental sustainability for now and for successive generations.

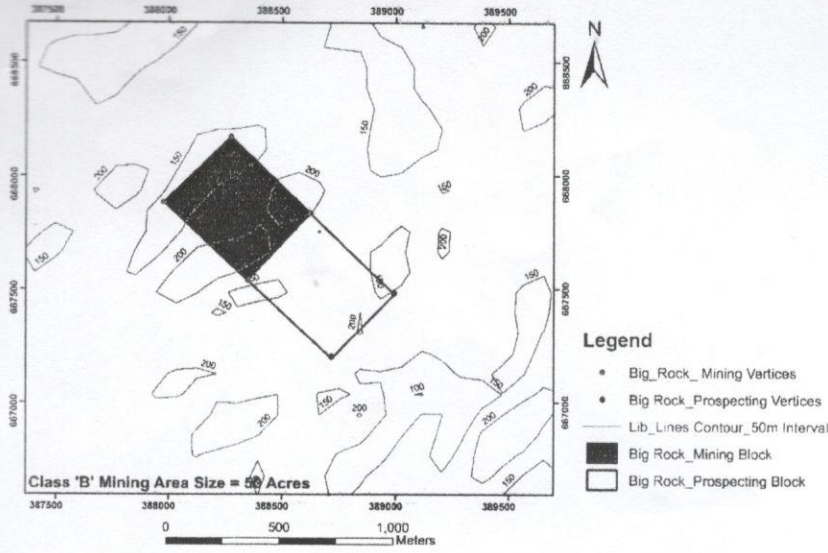

Kind regards,

Prof. Wilson K. Tarpén
