Dear Mr. Nimbuen:

I present my compliments and acknowledge receipt of your communication dated **19 October 2022** applying for an environmental permit the operation of a rock quarry in Mamba Kaba District, Margibi County.

In keeping with the standards and regulations of the Agency, this undertaking requires an Environmental and Social Impact Assessment (ESIA), beginning with an **Environmental Project Brief** and you are required to prepare the report through an EPA-certified independent environmental evaluator.

I am attaching for easy reference, a package containing:

- A list of EPA-certified local independent environmental evaluators
- *Note: all POCs for the said project and accredited laboratories must be considered by the consultant(s) for this undertaking*

The evaluators herein listed are the only certified Independent Environmental Evaluators accredited by the Agency to conduct environmental and social impact assessments, prepare environmental management plans, and other relevant environmental studies.

In response to your communication, the permit processing fees for this undertaking will be communicated to you upon submission of the **Environmental Project Brief**.

This communication does not amount to the commencement of any work or operation until further official notice by the Agency is issued to commence work, or a conditional permit is issued.

Please accept the assurance of my highest esteem and consideration as we strive for environmental sustainability for now and successive generations.

Kind regards,

Prof. Wilson K. Tapsah

Hon. Gesler E. Murray
Minister
Ministry of Mines & Energy
Capitol Hill, Monrovia
Liberia

Dear Hon. Minister:

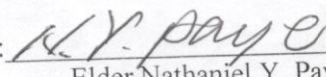

We the owner and dwellers of the above mentioned community, do hereby write to inform your high office that, we have accepted Ma Bendu Investment Group to operate a rock quarry within our community and are in the process of preparing a comprehensive memorandum of understanding which will spelled out the benefits to be given by the company and other projects to be undertaken on a schedule basis.

This communication serves to inform you that –there must be a memorandum of understanding (MOU) with the directly affected community– which is one of the prerequisites of granting, or issuing of a rock quarry license. Zoewein Community Development Committee (ZCDC) that includes the elders, youths, women, etc and legal person are working with the management of the company to conclude this MOU in a shortest time and will be forwarded to your office.

Therefore, it is our appeal that you kindly grant Ma Bendu Investment Group said quarry license as we are working on the MOU and there is good understanding among all parties so as not to delay the company getting the license.

Thanks for your understanding.
