Dear MSG Members,

Good afternoon.

The Chairman, in consultation with a representative from the CSO and Private Sector blocs, invites you to a call meeting on Friday, March 7, 2025, at 1:00 p.m., in the conference room of the LEITI Secretariat. The Body is expected to discuss and approve the attached draft documents. Attendance is vital as this is the first meeting of the newly constituted MSG. The documents include the MSG's response to the Inception Report for the production of LEITI's 16th EITI Report, the Terms of Reference for both the Compliance Investigation of the Terms of various MDA's in the Mining Sector and Updating LEITI Simplified Contract Matrix. The draft agenda is also attached for suggestions.

We look forward to seeing you on Friday.

Many thanks.
